

I live in Oklahoma City and listen to K-LOVE every day in my car, at work and home. My kids love to listen to the music and we play along and sing to the music. I feel like that it would be a great loss to their listeners if it were replaced by a LPFM broadcaster.

The service that K-LOVE provides is enormous. I feel that it has influenced the people that listen to it daily. It provides prayer, great music, testimonials, and witnesses to the people who tune in to it daily. I would greatly miss K-Love if it were replaced by a LPFM broadcaster. It is a definite plus to our community.
